Uncle Pet Premium Hamster Feed

Hamster Feed

Supplementary feed for hamsters

Our Uncle Pet Premium Hamster Feed is a balanced supplementary feed that is rich in high-quality cereals, vegetables and herbs. It contains parsley, which is a natural source of vitamin C, as well as peanuts, which provide your hamster with essential fatty acids and add crunch and variety to the feeding bowl. Thanks to the addition of our Eggersmann Micro-Herbs, a fermented plant extract made from a variety of wild, medicinal and aromatic herbs, this feed is extremely easy to digest, and can also support your pet's metabolism and immune system.
