Dog Snacks

Complementary feed dogs

Our Carnebello poultry cream with plenty of fresh poultry is free from preservatives and free from added sugar. Due to the tasty recipe and the low fat content, our poultry cream is suitable for all dogs as an easy-to-dose, clean treat.
Dogs can lick the poultry cream straight from the tube, what makes our Carnebello poultry cream an ideal snack, e.g. to keep the dog in a certain position during training or to provide a calming distraction at the vet. Even pills with a bad taste can easily be hidden in the delicious paste. Furthermore, Carnebello poultry cream is the ideal companion for filling chew toys or when travelling.
